Therefore we will both read the story and then talk about Ahmed & Silver moving to their new school. In week 2 we will write a story about them and their groovy new uniform. Weeks 3 and 4 are our whole school book weeks when we will all be reading the Gruffalo stories, with the Gruffalo himself visiting school. For our last few weeks we are going to read some of the Lighthouse Keepers Lunch stories. We will read the story together in group and do some fun activities along with this. We will then write and talk about the story in one to one work sessions. Some of us will read the full story, some of us will read a simplified story with symbols and some of us will name the pictures and symbols in a simple picture and symbol book.</p>
