

Dear Parents,

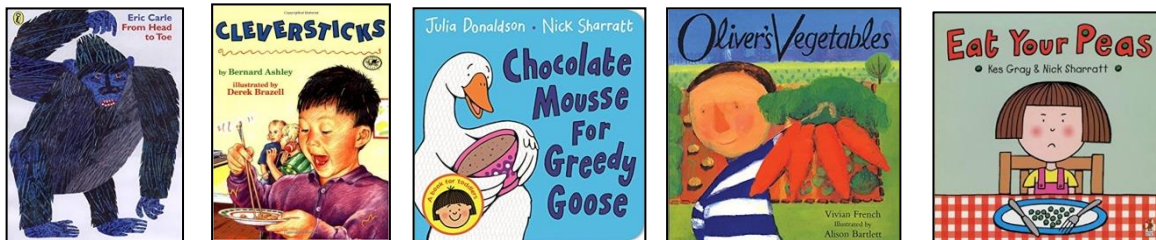

It is lovely that everyone is settling so well into the new school year after only a week.

Our new topic is 'Amazing Me!'

We are going to be learning about ourselves and how amazing we can be, we hope to look at being active, what we like to eat, things that keep us healthy and safe.

We are starting of our topic with the book From Head to Toe by Eric Carle. This book is great for getting the children active and our own body awareness. We shall also be reading Cleversticks and think about the things we are good at doing.

Chocolate Mousse for Greedy Goose, Oliver's Vegetables and Eat your Peas will help us to explore foods things we like to eat and what foods are good for us.

There are links to many of the books on You Tube and I am sure you will find copies in the library if you do not have them at home already. We will also be singing some songs about fruits and vegetables and exercise some of the You Tube links are shown below.

We have lots of fun activities planned to support our learning and will send photographs for you to look at with your children so you can extend their learning at home. We are also lucky to be taking part in yoga sessions on Monday morning and Dance sessions on Tuesday afternoons. If you want to share any news about things the children have done that you want to share with us jot a note in the home school book. Or if you have any photographs of things the children have been doing at home please send them in we will return them on the same the day.

A quick reminder about Espresso Online which we use often in school and has many great activities and stories for children. Type in www.online.espresso.co.uk and log in using **Username** - student6798 **Password** - rabbit.
